

## Our article on Export Consortia published by the Spanish Federation of Natural Stone

2010-10-06

The article [Spain Export Consortia](#) written by our consultant Ignacio Prieto, appears on the natural stone online magazine PIEDRA NATURAL of the Spanish Federation of Natural Stone (FDP).

The FDP gathers all the groups related to natural stone and its applications. Among them, quarry owners, producers and fabricators as well as associations of auxiliary industries.
